WORLD CLASS SALT WATER FISHING

CONTACT DRAGGIN' FLY

*Experience the lure of Light
Tackle
and Fly Fishing in the Historical
Waters of Boston.*

The Skipper

Captain Bill “Grizzly” Smith is a United States Coast Guard licensed Master Captain.

Recognized as an expert light tackle and fly fishing guide, Captain Bill has been featured in several magazine articles. He has earned a solid reputation for consistently putting Draggin’ Fly’s clients onto fish. Captain Bill is also an excellent instructor who can help any angler improve skills.

The Draggin’ Fly

Captain Bill is a platinum member of Mercury Motors’ National Saltwater Team, field advisor for major tackle manufacturers, and marine consultant. He is also an IGFA Certified Captain. Captain Bill is an active member of the New England Outdoor Writers Association, and his articles continue to be featured in many outdoor publications. Captain Bill is also a much sought after lecturer, and his slideshows are presented at numerous workshops.

The Adventure

Draggin’ Fly Charters continues to offer the finest saltwater angling experiences in the East. This year, we offer several fishing adventures. From our half-day Discovery Trips to full-day fishing trips, Draggin’ Fly Charters and Captain Bill will customize an adventure for you. **Draggin’ Fly Charters** specializes in shallow water fishing for striped bass and bluefish using light tackle (8-15 pound rods) and fly tackle (7-10 weight rods).

Specialty Trips

Looking for a special way to entertain corporate clients or visiting guests? Join The Draggin’ Fly for spectacular sunrises while fishing Boston Harbor and still have plenty of time for work and play.

A trip aboard The Draggin’ Fly on the waters of historical Boston Harbor is an exciting way to **entertain clients and guests** while doing business in a most unique setting. We’ll custom tailor a program to meet all your needs.

The Draggin’ Fly

Captain Bill has teamed up with Key Largo Boats and Mercury Motors to customize **The Draggin’ Fly**. She is truly state-of-the-art. The added beam and length provide an exceptionally smooth ride even in rough waters.

The Draggin’ Fly is powered by Mercury Motors’ 4 stroke Verado engine. She is fast and quiet.

The Equipment

Draggin’ Fly Charters is proud of our affiliation with the best tackle manufacturers in the world. Sponsors include Penn Fishing Tackle, Grizzly Custom Rods, Royal Wulff and Jim Teeny lines, Bass Assassins, Supremus Tackle, Salty Custom Lures, and AFTCO Blue water Tackle. Each season, Draggin’ Fly Charters receives new tackle to test and evaluate.
