

The 2011 Line-Up

Draggin' Fly Charters is the most experienced full service charter service in Boston. We offer the finest saltwater angling experiences in the East. Our charters specialize in light tackle and fly fishing for striped bass and bluefish.

Join Captain Bill on the Draggin' Fly for spectacular fishing in Boston Harbor and the surrounding waters of the North and South Shore. Draggin' Fly Charters will customize an adventure from a half-day to multi-day fishing trips for you. We can also arrange accommodations and transportation for visiting anglers.

Looking for an exciting way to entertain clients? Let Captain Bill arrange a special **corporate trip** aboard the Draggin' Fly on the waters of historical Boston Harbor. We'll provide snacks, instruction, and custom tailor a program to meet all your needs. You will have plenty of time to do business in a most unique setting.

**Unforgettable Fishing
For Striped Bass and
Bluefish**

The Draggin' Fly

Captain Bill has teamed up with Mercury Marine and Key Largo Boats to customize **The Draggin' Fly** to provide an exceptionally smooth ride even in rough waters. Again this year, Mercury Marine has re-powered The Draggin' Fly with a more powerful Verado 4-stroke engine. She will be faster than ever. The electronics have also been updated to include an under-water video system.

Your Skipper

Captain Bill "Grizzly" Smith is a

United States Coast Guard licensed Master Captain. He has earned a solid reputation for consistently putting Draggin' Fly's clients onto fish. Recognized as the area's top fly and light tackle guide, Captain Bill has been featured in several magazine articles. Captain Bill is also an excellent instructor who can help any angler improve skills.

Captain Bill is a member of Mercury Marine's National Saltwater Team, field advisor for several major tackle manufacturers, and marine consultant. He is also an IGFA Certified Captain. Captain Bill is an active member of the New England Outdoor Writers Association, and his articles continue to be featured in many outdoor publications.

**Remember, it costs no
more to fish with the best**
